

Hyunsol Park

Working on projects.

Seoul, South Korea | [LinkedIn](#)

Projects I'm working on:

- greyboard.ai

Personal site:

- hyunsolpark.com

EXPERIENCE

Builder

Feb 2026 — Present

Independent

Founder & CEO

Mar 2021 — Apr 2026

Disquiet

Seoul, South Korea

Disquiet is a social networking site for people who love building softwares.

Our mission is to instigate more creation of tasteful softwares by connecting them.

We do this by creating a space where builders can express, inspire, meet, and build as a community.

Freelance Designer

Dec 2019 — May 2020

Freelance, self-employed designer

Designer

Mar 2017 — Dec 2017

Livin Life Inc.

Industrial Designer

Jun 2016 — Feb 2017

NewDealDesign

샌프란시스코 베이 지역

NewDealDesign is an award-winning technology design firm located in the heart of San Francisco. The 2013 National Design Award honoree, we team industrial, graphic and interaction designers with strategists and engineers to create delightful objects and experiences.

Lead by Gadi Amit, we approach challenges hands on, working from the inside out to make the plausible possible for global brands and transform start-ups into success stories. We've been blending the practical with the magical since 2000 to craft delightful and workable solutions for real people.

Industrial Design Intern

May 2015 — Aug 2015

NewDealDesign

San Francisco Bay Area

NewDealDesign is an award-winning technology design firm located in the heart of San Francisco. The 2013 National Design Award honoree, we team industrial, graphic and interaction designers with strategists and engineers to create delightful objects and experiences.

Lead by Gadi Amit, we approach challenges hands on, working from the inside out to make the plausible possible for global brands and transform start-ups into success stories. We've been blending the practical with the magical since 2000 to craft delightful and workable solutions for real people.
