

Howard Kane

Quality Assurance & Forensic Analyst

Prague, Czech Republic | [LinkedIn](#) | [Fueller](#)

Forensic research analyst and technical author who traces ownership through obscure and fragmented data and writes documentation that holds up. Works with both engineering and non-technical teams to improve products.

EXPERIENCE

Quality Assurance & Forensic Analyst

Dec 2024 — Present

Routescan

Remote

Tests up to 30 data platforms with automated and manual tools. Builds and maintains an entity-attribution database that links anonymous accounts to real-world owners using open-source and commercial data. Evaluates third-party data APIs against research requirements and flags fraud, phishing, spam, and account migration for end-user alerts.

Research Analyst

Dec 2022 — Oct 2024

Coinfeeds AI

Remote

Researched and analyzed around 200 early-stage companies each week and produced structured findings for investors. Wrote and published data-driven newsletters read by senior investors. Produced an annual software developer activity report from raw repository data and led the creation of a news operation from scratch.

Technical Writer

Aug 2022 — Dec 2022

BlockX Chain

Remote

Wrote and released developer documentation covering Linux, Go, Protocol Buffers, and related tooling. Wrote tutorial and analysis articles, worked with engineering teams on boilerplates for external developers, and redesigned the company website.

Senior Writer

Oct 2021 — Aug 2022

Flight3 | previously Zebu Digital

United Kingdom

Produced revenue-generating content for technology clients across the UK and Europe. Wrote guides to complex platforms for both technical and non-technical readers. Published work on Investing.com, Yahoo Finance, Hackernoon, and other outlets.

Intern

Aug 2021 — Mar 2022

Aviato

Remote

Grew a Twitter account organically from 0 to about 2,000 followers. Built a Python tool on the Twitter API that acquired followers using a probabilistic model.

Writer

Jan 2021 — Jul 2021

AGORACOM

Greater London

Consultant

Jan 2019 — Apr 2019

Web Marketing USA

EDUCATION

Heriot-Watt University

Sep 2026 — Jun 2028

Master of Science in Computer Science

42 Wolfsburg

Sep 2021 — Jun 2021

Computer Software Engineering

Piscine

University of the People

Sep 2021 — Jun 2026

Bachelor of Science in Computer Science

University of Greenwich

Sep 2020 — Jun 2020

Left early, LLB Hons in Law

Not completed
