

Ananya Mahtani

Summer Associate, Client Services

Claremont, CA, United States | [LinkedIn](#)

Economics and Data Science student at Claremont McKenna College with experience in client services, investment analysis, and data-driven strategy projects.

EXPERIENCE

Summer Associate, Client Services AlphaSights Managed 5-8 concurrent client workstreams for a leading U.S. consulting firm, synthesizing project briefs into targeted research strategies and expert sourcing criteria under tight deadlines. Facilitated \$70K+ in client engagements by liaising with C-suite executives and senior industry professionals. Converted ~40% of sourced experts to client engagements, 10 percentage points above business unit average, through custom AI agent creation and implementation.	Jun 2026 — Aug 2026 New York, United States
Investment and Data Analytics Intern Creator Games Independently learned Claude Code and BigQuery to wrangle and analyze 32M+ data points on a lean team, delivering a report on the UGC gaming economy for a multi-billion-dollar entertainment company. Developed a proprietary ranking framework for Roblox games using revenue and engagement KPIs.	Jan 2026 — May 2026 San Francisco Bay Area
Investment Team Intern Taurus Wealth Advisors Developed the firm's first portfolio stress testing tool with a partner, building a data-driven model to simulate downside risk scenarios for \$15+ portfolios and iterating on analyst feedback for usability. Co-authored a macroeconomic outlook and asset class analysis used as key material in client discussions, portfolio status updates, and regulatory reporting with family offices.	Jun 2025 — Aug 2025 Singapore
Product Design and Marketing Music DB Spearheaded outreach for over 50 artists, managers, promoters, and venues based in LA to assess product-market fit and build a database of ticketing sales. Designed Figma mockups iterated on by the founding team, translating outreach findings into functional platform interface.	Feb 2025 — Aug 2025 Claremont, California, United States
Lead Lab Technology Assistant Claremont McKenna College	Oct 2024 — Present Claremont, California, United States
Consulting Summer Intern Growsari	May 2024 — Jul 2024 Manila
Associate Consultant Graphite Group	Oct 2023 — Dec 2023 Claremont, California, United States
Student Fellow Product Space	Oct 2023 — May 2024 Claremont, California, United States
Director of Client Relations, Project Lead, Consultant Graphite Group Piloted a shift to execution-based deliverables during first semester as director, with 3 of 4 project leads shipping both an interactive model and client-ready deck. Served as the longest-tenured project lead in club history, leading engagements that delivered a customized ROI calculator for a data pipeline product launch and rebrand analysis with go-to-market strategy for a luxury jewelry company.	Sep 2023 — Apr 2024 Claremont, California, United States
Marketing Director Tizaar https://www.tizaar.com/	Jun 2021 — Aug 2022 Metro Manila, National Capital Region, Philippines

EDUCATION

Claremont McKenna College Economics and Psychology GPA: 3.8	Aug 2023 — Jun 2027
International School Manila Higher Level Coursework: Math Analysis and Approaches, Economics, Psychology Standard Level Coursework: Physics, Chinese, English Literature	Jan 2010 — Jan 2023

PROJECTS

Backend system for Claremont Colleges airport rideshare matching, Rideshare Matching Algorithm

Led a team to build a functional back-end system for a class project. Extended the project beyond the classroom by independently developing a UI, conducting student pilots to refine usability and feature needs, and initiating conversations with Claremont student leadership to support campus-wide institutionalization.
