- Redefining Home-Sharing: kommu activates primary homes for sharing with a unique trust-based approach, free from traditional rental platform constraints.
- Your Home, Your Rules: List for free, swap, pet/house sit, or host stays. Choose your audience - from an open network to just friends. No fees, just trust.
- Join the Top-Rated Network: Be part of kommu, where every connection goes beyond just a transaction.
- Connect with Me: Passionate about changing the home-sharing world? Let's explore innovative opportunities together.

EXPERIENCE

Co-Founder kommu kommu ("koh-mu") is a connected home-sharing and travel platform that links users with their personal network and empowers them to host trusted friends, interest groups, and communities in their home on their terms. Through kommu, users manage their home-sharing preferences, find affordable stays through those they know, and learn when friends are in the same city, fostering real-life connections during their trips.
