

Hector Leimon

Corporate Development & Strategy Intern

London, United Kingdom | [LinkedIn](#)

Recent Warwick graduate with 15 months of cross-functional experience in Corporate Development, Strategy, and People Ops. Skilled in M&A research, project execution, and AI automation.

EXPERIENCE

Corporate Development & Strategy Intern
Sandbox Group

May 2023 — Present
London, UK

Assisted on M&A target acquisitions by gathering market data and preparing decks shared with the CEO. Conducted competitor analysis and market research on Edutechentertainment, wellness, and Gen X trends. Managed and executed cross-functional projects including content production and rollout for a 250-employee bilingual intranet with custom Gemini templates. Supported HRIS, payroll updates, and internal governance through presentation decks and board updates. Audited internal messaging channels for data privacy compliance. Created AI tools to automate research, deck creation, and key workflows.
