

Ankeeta P.

Private Equity Associate – Consumer and Business Services

New York City, NY, United States | [LinkedIn](#)

Private equity professional with expertise in LBO modeling, M&A due diligence, and transaction execution across consumer, infrastructure, and digital assets.

EXPERIENCE

Private Equity Associate – Consumer and Business Services

Feb 2025 — Mar 2026

British Columbia Investment Management (BCI)

New York, United States

Owned full deal lifecycle from screening and financial modeling through transaction execution and value creation for consumer and business services companies. Led commercial due diligence for Pave America (\$1.25B acquisition), constructing detailed 26+ branch-level LBO models and identifying 200-300bps EBITDA uplift opportunities through AI-enabled pricing and operational optimizations. Assessed transformative M&A plays for Refresco and evaluated co-sponsor, co-investment, and follow-on opportunities across the portfolio.

Private Equity Associate

Oct 2024 — Feb 2025

BlackRock

New York, United States

Focus on the infrastructure behind AI

Private Equity Associate – Digital Infrastructure

Sep 2023 — Feb 2025

Global Infrastructure Partners (Acquired by BlackRock)

New York, NY

Conducted detailed financial modeling and valuation assessments for LBOs and joint ventures in digital infrastructure and technology. Developed the financial framework for Global AI Infrastructure Partnership (\$30Bn fund with BlackRock, Microsoft, MGX, and NVIDIA). Evaluated 49% stake acquisition in Intel's semiconductor fabrication facility (\$11Bn) through JV structure and semiconductor market diligence.

Investment Banking Analyst – Project and Infrastructure Finance

Jul 2021 — Sep 2023

Morgan Stanley

New York, United States

Developed financial models and management presentations for infrastructure sector clients. Served as sole financial advisor on AT&T/BlackRock Gigapower fiber rollout JV (\$3Bn), managing debt raise coordination with lenders and consultants. Led advisory on Arclight's acquisition of power generating portfolio (\$1.3Bn), evaluating gross margins, EBITDA, and energy capacity pricing for investor due diligence.

Investment Banking Analyst – Project and Infrastructure Finance

Jun 2020 — Sep 2020

Morgan Stanley

New York, NY

Supported investment banking team on infrastructure sector transactions, developing financial analyses and client presentations.
