

Kimon Charalambous

Manager, Technology Strategy and Advisory

London, United Kingdom | [LinkedIn](#)

Product Manager with seven years' experience shipping software in regulated, consumer, and enterprise environments. Currently coaching large product organisations on how to operate at scale.

EXPERIENCE

Manager, Technology Strategy and Advisory

Accenture

Oct 2021 — Nov 2025

Greater London, England, United Kingdom

Programme Manager and PMO Lead on an EU Deforestation Regulation programme for a global packaging company, protecting the client from non-compliance fines up to 4% of global turnover. Structured delivery across five workstreams with no industry benchmark available. Designed governance for 80+ FTE cross-functional programme, ran Accenture's PMO across multiple contracts totalling £8m+ in revenue, and managed financials, resourcing, and Statements of Work.

Consultant

Concentra Analytics

Apr 2021 — Oct 2021

Greater London, England, United Kingdom

Intermediate Business Analyst

Entelect Software

Aug 2019 — Apr 2021

Johannesburg Metropolitan Area

Progressed through multiple roles supporting mining and financial services clients. As Product Owner for a COVID-19 contact-tracing platform at Anglo American, owned roadmap and prioritisation for a solution deployed across 6 mine sites and 30,000+ employees using smartwatch Bluetooth pings. Worked with Global Health to define contact thresholds and response protocols, ran a design sprint with 30+ global stakeholders to set MVP scope, then shipped to production iteratively. Earlier, worked as Senior Business Analyst and Scrum Master on a 3D visualisation and cloud-based storage solution, owning the metadata management framework for 7 spatial data types, and as Data Business Analyst at FirstRand, developing BI proof-of-concepts using Informatica.

Management Consultant

Africawide

Jan 2019 — Jul 2019

Johannesburg Area, South Africa

Management Consultant working with Public Sector and Education Clients.

- Process Mapping and Requirements Planning for a Remote Monitoring system
- Market Analysis for a Decentralised Tutoring Call Center
- Feasibility Analysis for projects in multiple industries:: Telecommunications, Healthcare (FMCG) and Digital Debt Collection.
- Member of the Internal Wellness Committee as well as Branding Committee which oversaw the full company rebrand at the beginning of 2019.

Graduate Management Consultant

Redflank

Mar 2018 — Sep 2018

City of Johannesburg, Gauteng, South Africa

Graduate management Consultant working with Public Sector Clients.

- Advised commercial launch of an award-winning product (Hotspot Geyser Add On)
- Assisted client with development of business plan, marketing strategy, market research and financial modelling
- Ran financial modelling workshops with e-level clients and owned financial modelling for the project
- Reporting and interviews for Public Sector Monitoring and Evaluations projects
- Facilitated discussion and presented on Internal Strategic Model implementation at annual strategy day.

Intern

Decision Inc.
