

Moinul Moin

AI Product Engineer @Ideaplexa

Cyprus | [LinkedIn](#)

Software engineer with a knack for building SaaS, AI, and open-source product - mostly with TypeScript, React, and Next.js. I help startups ship fast and look good doing it. I'm all about clean code, clever solutions, and learning new stacks just for fun. Let's build something cool together. (Email: moinul@ideaplexa.com)

EXPERIENCE

Founder & Engineer

Ideaplexa

building useful AI products for founders and end users

Feb 2025 — Present

United States

Frontend Engineer

Legitmark

- Optimized and maintained multiple internal apps using Next.js, Typescript, and Tailwind, resulting in a significant increase in performance.
- Actively contributed to feature implementation discussions, leading to successful deployments of several new features.
- Collaborated with the team to resolve critical bugs, reducing average resolution time by 30%.

Nov 2023 — Nov 2024

Ohio, United States

Full Stack React Developer

Upwork

- Worked with CEOs to develop web applications, enhancing user experience by implementing best UX practices.
- Built projects using Nextjs, Tailwind, GraphQL, Headless CMS, and so on.
- Implemented performance optimization techniques in React and Next.js apps, improving load times significantly.

Nov 2021 — Feb 2024

Founder

TalentedGeekz

We were working on some fun projects.

Friends/Teammates moved in different directions. Had to put a pause on it

Oct 2021 — Nov 2023

Frontend Developer

Ojjomedia

- Developed SASS products with React.js, Next.js, Vue.js, and Gatsby.
- Collaborated with team members to select tech stack, ensuring optimal project delivery and development time.
- Successfully resolved state bugs in a dashboard project through pair programming.

Jun 2021 — Oct 2021

Dhaka, Bangladesh

Web Developer

Sofol Freelancer

- Collaborated with team to develop a reliable LMS solution using WordPress.
- Redesigned UI to optimize user experience, increasing user satisfaction significantly.
- Attended weekly meetings to share ideas and discuss progress, contributing to streamlined project management.

Jun 2020 — Feb 2021

Dhaka, Bangladesh

EDUCATION

University of Dhaka

Bachelor's degree

Due to COVID-19 closures worldwide, my educational pursuits were halted. Businesses and institutions were forced to shut down, causing widespread disruptions.

Jan 2019 — Jan 2020

Motijheel Government Boys' High School

HSC

My college journey was amazing, and I am proud to have completed it at this institution. The knowledge and skills I gained here have been invaluable in shaping my personal and professional growth.

Jan 2017 — Jan 2019

PROJECTS

ChadNext

Quick Starter Template for your Next.js project.
